

# SPEAKER:

For the past 12 years, Jeff has had the privilege and unique opportunity to teach the Scriptures in a variety of settings. Whether speaking to students at camps and retreats or teaching in the local church, Jeff's desire is for all people to taste and see, for themselves, the power of God's great grace...the Gospel. He now serves as a teaching pastor at the Austin Stone Community Church in Austin, TX. His desire to live out the mission of Jesus is done so with his wife, Christy, and their daughter, Paige.

# MUSIC:

The Justin Cofield Band, known for their energetic sound and style, is intentional about being a catalyst for life change through music. The foursome believes its purpose is not entirely to lead people to worship, but to create an atmosphere where believers and nonbelievers can connect with something greater than themselves. "We believe that worship is something that should permeate your entire life," says frontman Justin Cofield. The JCB's desire is to be God-glorifying, not only in their music, but also in the way that they live.

# LOCATION:

Student Life Camp at **Windermere Conference Center** can be compared to an exciting lake vacation. That's because Windermere sits along the banks of the sprawling Lake of the Ozarks in central Missouri. This location offers a welcome retreat into a natural setting that features amazing views of the landscape. There's also the opportunity to hit the lake courtesy of a fleet of canoes, kayaks or the popular Inflatable Water Park. The newly constructed auditorium provides plenty of room for large gatherings of students for Morning Celebration, Evening Worship and Late Nite activities.

# STUDENT LIFE SUMMER 2013 THEME

**"The Kingdom of God" is a primary focus in the Bible and Jesus' teaching. This summer we will explore the glorious truths and the Good News of the Kingdom of God.**

# EXTRAS:

There will be many opportunities for the students to use their extra cash to participate in extra activities, such as: canoeing, kayaking, fishing, and the inflatable water park. Also, this camp provides great afternoon or evening snacks at the Snack

Shack, and t-shirts, CD's, and other souvenirs the students can purchase throughout the week. The students will also need money for the meals on the way up to camp and the way back home. Approximately 4 meals.
